Pony Ride Party

You and your guests will enjoy a fun, horse filled two hour event at Ennis Horsemanship Center. The party begins with a stable tour and guests learn how we care for the horses, fun horse facts, and colors and breeds of horses. We will also cover horse safety so that all of your guests can stay safe. Then we will have two horses decorated with party ribbons available for staff led rides in the arena and over an obstacle course. When not riding your guests will be able to complete a souvenir craft to take home. You can make your party even more special by choosing any of our party add-ons.
